HIMALAYAN ANIMAL LICK SALT

Himalayan Animal Salt Lick for Horses, Deer, and Livestock Mined from ancient deposits deep in the Himalayas, these rock-hard salt licks contain many of the valuable minerals your horse needs for a healthy, nutrient-balanced diet. Salt makes horses thirsty, which encourages them drink and stay hydrated. More water keeps the digestion system moving, which also means they can flush out toxins and help prevent digestion issues. Milliard Pink Himalayan salt licks are resistant to rain and biting, so they will last longer. Each Lick has a hole with a strong rope through the center so you can hang at the perfect height for your horse. Excellent source of iron, potassium, and magnesium, which replenish electrolytes lost during hard work and facilitate conversion of carbohydrates to energy at a cellular level. Helps reduce boredom while giving your horse the nutrients they need. Rich in valuable minerals essential to your horse's health and vitality.

HIMALAYAN BBQ TILES

Nature's Cooktop & Serving Platter

Himalayan Salt Slabs, Blocks, Plates and Bricks are nature's cook top and serving platter in one, offering many creative culinary uses while delivering the benefits of natural, pure salt with no chemicals or additives. Heat your Himalayan pink salt slab, plate, or brick to high temperatures and sear thinly sliced meats, fish, vegetables, seafood and other quick-cooking foods. Or, chill it for use in serving sushi, appetizers, cold meats and cheeses, fresh fruit and vegetables, and even cold desserts.

Himalayan pink salt blocks, plates, and bricks are harvested from deep within the ancient Himalayan mountain range of Pakistan. There, they have remained protected from pollution and impurities for centuries, making this what many consider the purest, cleanest salt in the world. The salt is mined as large, meteor-like boulders and later sliced into slabs, blocks, bricks and plates as well as sculpted into bowls
